Locally, there are wrecks and reefs we access from Abu Dhabi, and depths range from 5m to 27m.

FOOTBALL  
THE CLUB

FOOTBALL

## FRIENDLY MATCHES

The Football Section has been running since 2007 at The Club. The Football section social takes place on a Tuesday evening, where games follow the five-a-side format; a popular format that produces short, fast-paced games and allows for a mini-tournament every week. We play year-round no matter the Abu Dhabi weather!

Football Section players vary in age, gender, fitness and ability, which fits our purpose to play a semi-competitive game without ever taking it too seriously and so enjoy the camaraderie and informal nature of the evening. The football social takes place on Tennis Court 4, if you don't see it, you will be sure to hear the laughter and cheering on this social evening. Pass by to watch and meet the teams!

Our choice of bestselling fiction and eclectic non-fiction titles is supplemented by a cornucopia of DVD titles for Library members who want to switch off with a captivating movie or binge on a boxset.

Step through the doors of the snooker room and be transported to a traditional snooker set-up, with wood paneling and immaculate tables from the 1970s. Join the Snooker Section and their social snooker league every Tuesday evening for some friendly competition. The Snooker Section at The Club welcomes anyone who's interested in playing the game. Members regularly pit their skills against each other, and a handicap system is used with a league table updated after each week's action. At the end of the season, trophies are awarded in a variety of categories.

This gives Members the opportunity to play several different opponents and to meet other snooker enthusiasts who may be available for games at their leisure.

BADMINTON

## SMILES & SHUTTLECOCKS

The Badminton section was established by Members with a shared interest in the sport. Players of all abilities are welcomed to the badminton mixed social sessions, which is the perfect platform to meet Members who share the same interest, socialize and play some friendly games of Badminton in The Club's indoor court.

The emphasis on players is for an enjoyable experience in the evening sessions, however, Members are welcome to organise a more competitive game. The game format is 'doubles' for the socials, although a 'singles' ladder is operated dependent on member interest. In addition, annual tournaments are organised with accompanying social gatherings in The Club bars for everyone to bond.

## SQUASH & RACQUETBALL

### COOL COURTS

The Sports Complex features two glass-backed squash courts available for Members to use at their leisure. The Squash Section provides Members with the opportunity to play Squash or Racquetball socially within the dedicated section of The Club. The Section also offers Members who wish to play more competitively, a monthly Squash 'Box League' and a monthly Racquetball 'Box League' and also have two teams that compete within the Abu Dhabi Squash League.
