sports news

Sports activities are now swinging as experts (and others) see the Competitive Season upon them and still have the problem of getting in tune for matches and tournaments.

Congratulations to Ian Wetherill and Alastair Allen for winning a sporting final in the Dunlop Open Tennis Mens Doubles. Hard luck to runners-up Salamat and Rahmatallah. Obviously The Club was well represented in this competition.

Badminton Section ran a successful knockout doubles handicap, won by Parweez and Bassam Abutock. The handicapping was exceptionally accurate, many matches finishing in "cliff-hanger" fashion.

Squash Section ran a weekend handicap tournament again noted for the accuracy of the Handicapping. Graham Sheen played an outstanding series of matches to be pipped by Charlie Lenegan by a short racket head in the final of the men's. A popular victory took place in the Ladies Competition, or at least as far as a certain household is concerned.

We are trying to avoid the clashing of Open Tournaments which we have had in the past year or two by phasing them as follows:-

Tennis

- All January

Squash

- First 3 weeks of February

Badminton

- Last week February, first two weeks March

Entries are now being taken for Tennis. Remember that the Club Open Tournaments are open to all members of the Club. (You don't have to be a member of a particular section to enter).

Happy and invigorating Christmas & New Year to our readers.

Shape into 24 small balls — dust the hands with flour to aid shaping. Leave in a cool place to chill.

Lightly oil the base of a frying-pan and fry meat balls until cooked — about 7 min., turning balls frequently. Drain on absorbent paper. Keep warm and serve with barbeque sauce.

SUB AQUA

As the first part of the training course draws to a close (because of Christmas festivities) the trainees are preparing for the 'B' and 'C' snorkelling tests. These tests show the persons competence in using basic gear (snorkel, mask and fins) and maust be completed before moving on to aqualung training, which, if the present rate of progress is maintained, will be immediately after the New Year's holiday.

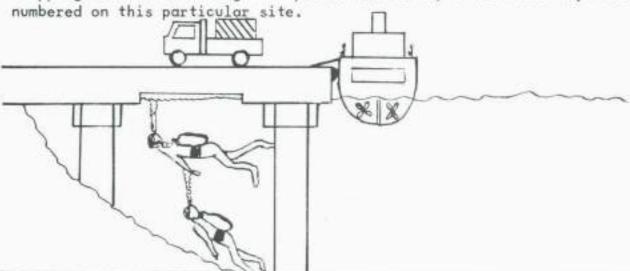

Four people have already passed these tests, and it is hoped that by the time this Newsletter is published the remainder of the trainees will have followed suit.

Meanwhile, dives have to be organised for the people who were on last years course, because the majority still have not completed the necessary ten qualifying open water dives to obtain their B.S.A.C. third class diver rating.

One such dive took place on Thursday 13th December, in Mina Zayed on one of the new berths that is nearing completion. It is in fact possible to swim underneath the jetty and around the steel piles that form the support legs. The fish life seems to be on the increase and they are taking refuge in the man made reef of back fill that forms the main foundation of the jetty.

Swimming underwater with boats nearby that have their engines running can be a little un-nerving. Because of the density of water, sound travels four times faster than air, so the noise of the engines is absolutely deafening, and the source seems closer than it actually is.

This is one of the few places around Abu Dhabi where we can dive to a depth of 40 ft., and is generally quite a good dive, but, what with difficulties in gaining entry into the port area, and the ever increasing shipping traffic now using that particular berth, I think our days are

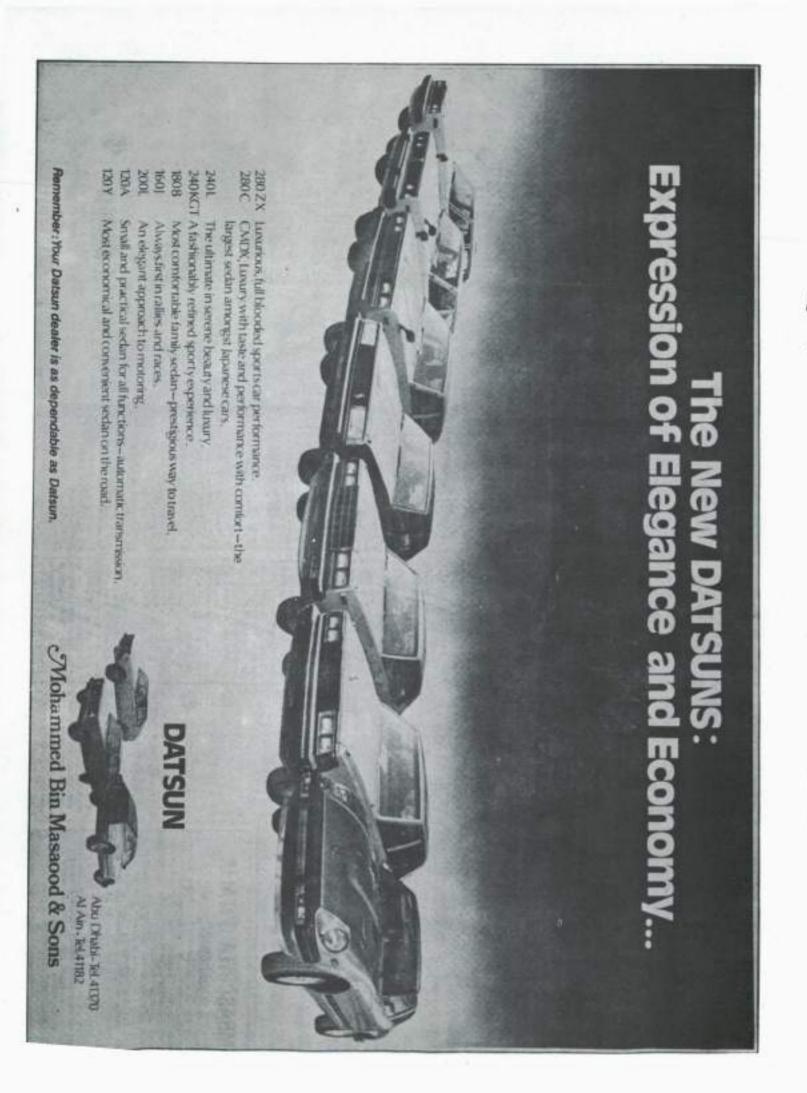

This newsletter is, unfortunately, the last one under the present Editor, Angela Ferebee, who is returning to the U.K. in January, I'm sure all Club members will join me in thanking her for all the hard work she has put in, both on the Committee and in the compiling of the Newsletter, and wish, Angie and John all the best in their careers back home.

Ladies final Sandy Derbyshire (-2) beat Chris Stelfox (-2) 2-0
Plate final Chris Clarke (-14) beat Neil Chisman (-16) 2-1

The plate final was an incredibly close game with Chris Clarke beating Neil Chisman 15-14 in the final game. We would like to thank our sponsors - S.G.B., B.P. and Al Naboodah Laing for supporting the tournament.

We hope to start the Round Robin league in January 1980 (to work off some of the festive season) and to have the Open Handicap (sponsored by British Airways) and Club Championship Tournaments in January and February, 1980.

A new slipway is under design for the reclaimed land area, this I want to put out to tender as soon as the drawings and specifications have been completed.

I have already requested tenders for the redecoration of the sports complex rest & refreshment area, the Drawings for which you have probably seen on deisplay near to the Reception.

David Derbyshire, the Sports Member and myself have decided that the squash court floor surface badly needs attention, and a suitable play surface will be laid in both courts.

As I have already stated in the last Newsletter, the entrance to the Ladies Loo in the Main Club Building will be re-designed, and also the Occasional Room will be redecorated.

I have also provisional plans to fit automatic barriers at the Club Entrance, where by one has only to insert a card into a control box, which will lift the barrier; this can be incorporated as part of your membership card, leaving the gate staff only to monitor those with guests to be signed in, and save the usual time wasted at the gate.

Now comes my biggest headache 'MONEY', as the higher expenditure projects, such as the poolside patio and the building renovation, will be well above the ceiling of permitted costs as laid down in the Consitution, without first obtaining the required permission from the membership.

When the full details of the full costs have been obtained, and subject to consultation with the Treasurer, who will be able to determine our financial position relative to these proposed projects, the membership will be informed.

I look forward to your continued backing to improve our Club.

Negotiations have been conducted with the Water & Electricity Departments, this will permit us a vast improvement in our power and water supplies.

We now have a regular contract with a Pest Control Company, this is effected every eight weeks through the whole Club Premises, and certainly seens to have contained the situation.

You will already have been informed by the Membership Secretary that we have now been given permission to stay on our existing site, and it is to this statement that I wish to indicate to you, the Members, what my intended policy is now, in the few months that I have left in office, and in which I shall continue to pursue if re-elected at the next A.G.M.

Firstly again my roll as I see it, is to improve the existing facilities that we all make daily use of, while in parallel to this, a study is made of the drawings of the new buildings, to see how best they will fit in on the additional land that we did not have when they went to print. The required planning permission will then be sought, tenders put out, and the work put in hand as soon as possible.

You will, I know appreciate, that there are certain creas of work that I want to put in hand at once, because they can only be really completed when little use is being made of that particular facility.

My programme for the poolside patio and buffet bar which is as follows:-

To strip off the existing tiled area, lay a concrete screed, and resurface the whole area, and at the same time repair any of the pool tiles or hand rails etc., that also need attention.

Enclose the buffet bar and aircondition, this will keep the insects out and make a better situation for the staff to work in; there will be separate order and serving counters for meals, and another just for those wanting drinks, lollies, ice creams etc.

A large coloured awning to be projected out over the front of the Buffet Bar to provide a shaded area to eat your snacks.

Install additional power cable & distribution, so that both poolside changing rooms can be airconditioned.

I have various details of more suitable tables, chairs & sunloungers to replace the existing ones.

Fill in the never-used childrens pool and provide a shaded play area for the parents to sit under, & install something for the small kiddies. I would welcome ideas from parents to finalise the details.

To renovate where required, and paint all the Club Buildings exterior surfaces; this is badly needed, as the whole place at present looks to say the least very tatty.

PREMISES

When I was elected as your Premises Member at the last A.G.M., my roll as I saw it then and still do, is to improve and maintain the facilities at the Club.

This task has not been without its frustrations, but this I expected. The question of shall we move? Why spend more money on the existing Club premises if we are to move? This attitude I have had to fend off all along the line.

I have always adopted the principle that when we have to move, we cross this bridge and whatever problems it may well present, as and when we have to; but in the meantime don't worry about it and get on with the job in hand.

As you will be fully aware, with the kind assistance of a good friend, I have increased by a very large degree, the area of reclaimed land that lies in front of the Main Club Building; this again has been done with the idea that if we are permitted to stay we will have additional land on which to expand our existing facilities, and all this was effected at no cost at all to the Club.

The only project of outstanding capital outlay budgeted for at the last A.G.M. was the resurfacing of the tennis courts, and this work was put in hand almost straight away.

George Haskins, and later David Derbyshire as Sports Members of the Committee, have had regular meetings with various representatives of all the sports sub sections, and reporting to me any areas in which action is required by myself.

Tenders were obtained for resurfacing of the squash court walls and also the badminton court floor resurfacing; both these projects have been completed.

The Ladies and Gents Toilets have been refurbished in the Main Club, which if you remember the condition of the old ones, this is a vast improvement.

The pool filtration equipment has been completely stripped & serviced, and the pool water is as good as you will find anywhere, and regular tests are taken to keep it that way.

Good use is made of the diving platform by the kiddies, and (Inshala) soon the beach steps will be completed.

The Sailing Club & Power Boat Parks have been graded & compacted to make the boats easier to pull around.

A new P.A.B.X. Telephone Exchange is to be installed with additional incoming and outgoing lines, with dial your own facilities within Abu Dhabi.

لا بد انك الان قد استجمعت قواك واخذت قسطا كافيا من الراحة بعد احتفالات وافسراح عبد الميلاد • وتنتهز ادارة النادى ولجنته وموظفوه مولد العام الجديد لتدعو الى الله ان يحمل لكم في طياته السعادة والهنا • والصحة والعافية •

كان النجاح حليف المسرحية الغنائية " فليبرتي والبطريق" التي اقيمت للاطفال في منتصف شهر ديسمبر ، وقد حضرها عدد كبير من الاطفال ، وكانت المغاجأة ان العديد من الكبار الذين حسضروا الحفل استمتعوا به على حد سوا ، وبذلت ابريل بتروورث جهدا كبيرا في ادا ، دور البطريق ، اما جودى ماكينس فقد اطريت الجبيع بعدوها ، واستحوذ الثلاثي روما جونستون وليندسي واليس وآرشي مبنتو على اعجاب الحضور وشاركهم في ذلك مايك مالينغ بما لقيم من همعمات من الحضور على دوره في المسرحية ، والواقع ان جسميع المشتركين في المسرحية نالوا الاعجاب من الحضور ، ونذكر منهم حيدني المشتركين و دافيد نيموسيعيث وبات دالي وبيجي نسبت ، ونستطيع القول بدون مبالغة ان من المعب ان يسمدق اى فرد ان جسميع الممثلين هم من الهواة الذين استطاعوا ان يعلوا الى د رجة المحترفين في التمثيل ،

وقد قدم النادى حفيلا للمحترفين في الليلة التاليه ، عندما احيى راى دورسيت ومانغو جبرى الحفل الراقص بمناسبة عبد الميلاد ، واستطاعت هذه الفرقة ان تجذب عددا كبيرا الى حلبة الرقص ، ان لم نقل ان عددا من الحضور لم يترك الحلبة طوال الليل وظل يد ق الارض برجليه بسعادة بالغة ، وقدم المطعم وجبة بوفيه خاصة بعيد الميلاد اشتملت على ما لذ وطاب فاستحق الطباخ الكثير من المثنا ، .

Dear Member,

Tel: 822788

By now you should have recovered from the festivities and celebrations of Christmas and just seen in the New Year, for which the Club Management, Committee, and staff wish you happiness, health and prosperity.

"Flibberty & the Penguin", a musical show for children was staged in mid-December at the Club and was a grand success with the innumerable children who came along to see it, and surprisingly enough, many adults thoroughly enjoyed it too. The inexhaustable energy of "Percival the Penguin" (Eryl Butterworth) playing her initial role of being seen and not heard was radiant. Flibberty Gibbet (Judy McInnes) sang her way through the show to everyone's delight. The obscure Three Headed Knowall (Rhoma Johnston, Lindsay Wallis and Archie Minto) captivated the younger members of the audience as did Krafty Kingfisher (Mike Maling) who received heartfelt boos and hisses as the 'nasty' of the show.

"Uck-cook" by now I'm sure is a sound reproduced by many children who saw the performance, introduced by Mr & Mrs Silly Cuckoo (Barabel Leach and Marie McSherry) who eventually got it right to be the first cuckoos in Springy Wingy. The lovable Bus Driver/Conductor (Peter Chappell) coped with his split personality remarkably well. Mr Maestro and Master Ministrone complimented each other and motivated audience participation to its ultimate. The Policeman astride his scooter (Sidney Hunwicks) complete with whistle and apron I'm sure has had many offers since his performance. The Zookeeper (David Nimmo-Smith) was accepted by the audience until he captivated Percival & his Mother & Father (Pat Daly & Peggy Nisbet), but came back into his own when they freed themselves at the end of the show.

All in all, it was hard to believe this show has been performed by an amateur dramatics group as professionalism was predominent throughout.
